Requirements for the Italian Championship

Sporting

- Micro: This is an Entry Level Category, only Italian licenses allowed. No racing.
- Mini: from 8 (birthday) to 13 years
- Mini: Only raffled engines from the Rotax Max Importer are allowed.
- Under 18: Parents need to sign (all), that the children can participate. If they are absent they need to delegate someone.
- License: Micro: only Italian License
Other categories: national or International Licenses are allowed
- Participate on the Grand Final: an Italian License is mandatory

Technical

- All differences between the International Technical Regulations and the Italian Technical Regulations are marked in green. On engines with exhaust valve the protection plate with 0,3mm thickness must be used.

Registration for a Race

1. Register on the website rotaxmaxkart.it
 - Mini drivers need to pay the fee for renting the engine.
 - Drivers who want to take part on the championship (with points) need to make their first race before the 1st of July and pay the fee for the championship before the race.
2. Register on the website of the track and pay the inscription fee (link published after you made the registration on rotaxmaxkart.it)

On track

- Important: Please note always the current time schedule.
- Mini drivers: The raffle of engines is always Saturday, 09.00 in front of the Rotax Max Italy van.
- Administrative registration: Saturday, during the day
- Technical registration: Saturday afternoon on parc fermé

Results

- Each driver competing on an RMCI race will be listed on the daily classification.
- Guest drivers are transparent (no championship points)
- Drivers with a non Italian license who want to receive championship points needs to fulfill all requirements of the Sporting and Technical Regulations. (including championship fee, Italian Engine, Italian cylinder ...)
