Requirements for the Italian Championship

Sporting

- Micro: from 8th birthday until the year the driver turns 10
- Mini from the year of the 10th birthday until the year of the 13th birthday
- Micro and Mini: Only raffled engines from the Rotax Max Importer are allowed.
- Under 18: Parents need to sign (all), that the children can participate. If they are absent they need to delegate someone.
- License: national or international licenses are allowed
- Participate on the Grand Final: an Italian License is mandatory (see italian sporting regulations)

Technical

- All differences between the International Technical Regulations and the Italian Technical Regulations are marked in green.
- The carburettors must be sealed (two are allowed, will be made on Saturday)

Registration for a Race

1. Register on the website rotaxmaxkart.it
→ Micro and Mini drivers need to pay the fee for renting the engine.
→ Drivers who want to take part on the championship (with points) need to pay the fee for the championship before the first race.
2. Register on the website of the track and pay the inscription fee (link published after you made the registration on rotaxmaxkart.it)

On track

- Important: Please note always the current time schedule.
- Micro and Mini drivers: The raffle of engines is always Saturday, 08.00 in front of the Rotax Max Italy van.
- Administrative registration: Saturday, during the day
- Technical registration: Saturday afternoon on parc fermé

Results

- Each driver competing on an RMCi race will be listed on the daily classification.
- Guest drivers are transparent (no championship points)
- Drivers with a non Italian license who want to receive championship points needs to fulfill all requirements of the Sporting and Technical Regulations. (including championship fee, Italian Engine, Italian cylinder ...)
